Message from the Headteacher

I cannot believe that we are coming to the end of the first summer term!

It has certainly been busy here with the Year 6 children completing their SATs, and the whole school preparing for the Jubilee celebrations next week!

Our school value this half term is **Perseverance**. As I have been around all three schools, I can certainly say that the children are demonstrating this, and have been working hard. They are all **CHAMPS**!

Every term is busy in school, but summer term is the busiest of all, with all the end of year activities/events that have to be planned, organised and brought to fruition. The admin team will be updating the calendar on the website as things are organised, so please do keep an eye on this. The most recent calendar will also be published on newsletters.

Have a lovely weekend.
Miss Thornber

Attendance:

If the winning class achieves over **98% attendance** they qualify for dress down day on Monday

Class 1: 96.08%

Class 2: 95.56%

Class 3: 95.85%

The winning class this week is: Class 1

Article of the Week

Article 20 (children unable to live with their family):

If a child cannot be looked after by their immediate family, the government must give them special protection and assistance. This includes making sure the child is provided with alternative care that is continuous and respects the child's culture, language and religion.

CHAMPS Values and Ethos

This Half Term our CHAMPS Value is: **Perseverance**

SPOTTED: Reggie - for persevering with cutting up his food at lunchtimes 😊

This week at Glasshouses

Our Year 6s from across the federation went for a celebratory breakfast last Friday as a reward for their hard working attitudes during SATS week.

We very much enjoyed our milkshakes and waffles: thank you Pancake House!

Class 1

The learning just does not stop in Class 1. This week we have been continuing our knowledge of the Monarchy, looking at Queen Victoria and Queen Elizabeth. Reception and some of the older children have planted seeds from various different fruits and we will see what we might (or might not!) grow.

Class 2

In Class 2 we have designed robot pets and started writing an explanation text on how our robot pet works. In maths, we have been continuing our work on fractions of an amount. In history, we have studied the travels of 12th century traveller, Ibn Battuta and had a debate on the reliability of diaries as a source of evidence to us as historians.

Class 3

SATS are over! We are incredibly proud of all of our year 6s. They persevered, and put in a fantastic effort throughout what was a truly challenging week. They should be very proud of themselves too. We have also been looking at writing film reviews and in preparation, have been critiquing many different clips from famous animated movies.

ECO TEAM

Gardening Club are transforming the back of school and have been planting sunflowers, raspberries and herbs with the help of some ex-Glasshouses pupils, now at Nidderdale High.

FUNDRAISING TEAM

The fundraising team have been busy preparing for Summer Term, looking at some school-wide events to raise money for different charities.

SPORTS LEADERS

This week the Sports Leaders have done the dreaded job of tidying the PE shed! We are now looking at how to support other children during Sports Day.

HEALTH & SAFETY

The health and safety team are working hard to make the roads outside of school safe. We ask parents to do their part and not park on the curbs around school or on the zigzag yellow lines outside of school. Sadly, some cars are still doing this.

NOTICEBOARD

Residential Visit

Next week from 25th - 27th May, Years 5 and 6 will be on their residential visit to East Barnby. Those going must be at the Coach Park in Pateley by 8:45am on Wednesday 25 May (next to the showground).

We completely understand that if you also have another child at school, that you cannot be in two places at the same time! Therefore younger children can either be dropped off at school on the way to the coach park (from 8:30am), or they can be dropped off at school slightly later than normal, on the way back from the coach park. Please let the office know which of these options you will be taking, if this applies to you.

Sports Day will be on Wednesday 13th July at 1:30pm on the Cricket Field

Glasshouses Village Platinum Jubilee Celebrations

Sunday 5th June - 12 noon

The Glasshouses WI have kindly invited all families to a 'bring your own picnic' on the Village Green to celebrate the Queen's Platinum Jubilee.

There will be music, and the WI will be providing tea and cakes, and a toast to the Queen!

All welcome 😊

Safeguarding

Social Media - TikTok

Like most social media platforms, there are concerns over the safety of children using TikTok because of the content they could potentially be exposed to. As the demographic of TikTok has widened, so has the type of content accessible on the platform. Currently, the minimum age for the use of TikTok is 13 years old. We are aware, however, that many of our children have access to this app. With this in mind, we would encourage parents to monitor their usage and educate their children about keeping safe whilst using the app.

Below is a guide to everything you need to know about TikTok.

At National Online Safety we believe in empowering parents, carers and trusted adults with the information they need to hold an informed conversation about online safety with their children, should they feel it is needed. This guide focuses on one platform of many which we believe trusted adults should be aware of. Please visit www.nationalonlinesafety.com for further guides, hints and tips for adults.

TikTok is a global video community where users create, share and discover 'funny and memorable moments' via short video clips - typically about 15 seconds long. Videos can be 'spiced up' with special effect filters, stickers, music and sound clips. Currently one of the world's most popular apps, TikTok was formerly known as Musical.ly, before it was rebranded by the Chinese company ByteDance that acquired it in November 2017. If your child had previously had a Musical.ly account, all of their videos and personal settings will have automatically been moved to TikTok. In early 2019, TikTok was hit with a record \$5.7m (£4.2m) fine in the US over child data privacy concerns for its record keeping while under the Musical.ly brand.

What parents need to know about TIKTOK

ONLINE PREDATORS

By default, users accounts are automatically set to public when they first create an account. TikTok encourages users to share creative expression through their videos, but if posted publicly, anyone in the world can see your child's homemade content. There have also been concerns the Chinese government could access data or sway public opinion through the app. If your child's profile is open, strangers can use the app to comment on your child's videos. While this isn't always sinister, it gives potential predators the ability to contact your child through the platform.

IN-APP PURCHASES

As with many apps, there's a paid element to TikTok. Users can buy virtual coins to be exchanged for virtual gifts - for example, if they like a specific video, your child can use coins to purchase emojis to show approval. These can be expensive and easily purchased - there is the option to buy 10,000 coins for £99.99 with a one-click buy button.

INAPPROPRIATE CONTENT

TikTok lets users lip-sync to their favourite songs and produce their own music videos. Some of the music choices contain swear words or sexual themes. So not only can children be exposed to potentially inappropriate content but they can broadcast themselves miming or singing these lyrics. In addition to this, some of the outfits and dance moves in videos can be overtly sexual and provocative. There have also been reports of some users sharing concerning content, such as videos that promote anorexia, porn, self-harm and violence.

BEING INFLUENCED

More than one third of children aged 6-17 consider social media stars to be among their top role models. There are millions of creators on TikTok, showcasing their talents, moments and knowledge, from singing to dancing to stunts and comedy skits, which receive thousands of likes and comments from around the world, quickly turning people into 'stars'. There is the danger that children may develop unrealistic expectations of how they should look and behave on the app in order to become the next 'star'. They may have feelings of inadequacy and low self-esteem or become swayed by certain opinions. On TikTok, there are always 'trending challenges' and hashtags that users can copy or build upon. Sometimes these challenges can pose risks to young people.

Top Tips for Parents

DISCUSS THE PITFALLS OF OVERSHARING

Encourage your child to always think before they do, say, like or post anything online. Explain that their 'digital footprint' shapes their online reputation and the way that other people see them. Something they may find funny and entertaining now may impact them in the future. Talk about how to deal with peer pressure and how doing something they think will impress others could affect them. Remind them that they do not have to do anything they are not comfortable with. To ensure that there's no way of anyone tracking your child's location or identity, make it clear to them that they should never film a video in their school uniform or near a landmark that gives away where they live.

HANDLING CRITICISM

While it's fantastic to see your child being creative and expressive and bonding with people with similar interests, they need to be aware that not everyone will be supportive online. Comments can be negative or even cruel. Make sure your child knows how to comment respectfully and handle negative feedback. In the app's Privacy and Safety settings, your child can decide who can react to their videos, who can comment, and who can send them private chat messages. We suggest altering these settings so only their friends can interact with their posts.

REPORT INAPPROPRIATE CONTENT

If you or your child sees something inappropriate on TikTok, you can flag up an account, video, comment or chat by simply tapping 'Report'. In the app's 'Digital Wellbeing' feature, there's also an 'Enhanced Restricted Mode', limiting appearance of videos which may be inappropriate.

USE A PRIVATE ACCOUNT

Setting up a private account means that only people who you and your child approve of can see their creations. To make an account private, tap the three dots at the top right of the screen to access settings. Click 'Privacy and Safety'. Scroll down until you find 'Private Account' and turn this setting on.

SIGNING UP WITH THE CORRECT AGE

When signing up, users are prompted to input a date of birth. If the inputted date of birth means your child is under 13, the app will block them. However, this doesn't prevent your child from lying about their age. The app is intended for users aged 13+, so explain the rating is there for a reason: to keep them protected from online dangers. It is actually possible to watch TikTok videos without creating an account, so make sure your child, if under 13, hasn't downloaded it.

USE THE 'DIGITAL WELLBEING' SETTING

If you're concerned about how long your child is spending on TikTok, it has a setting called 'Digital Wellbeing' which allows you to manage the amount of screen time your child can have. We also advise that you turn off push notifications in the settings to prevent your child from receiving 'spam-like' notifications from TikTok that encourage users to go on the app.

DISCUSS IN-APP PURCHASES

To lower the risk of your child making accidental in-app purchases, teach them exactly what in-app purchases are and the risks of making them without permission. Tell them that they are not essential to enjoy the app and that if they want to make a purchase, they should always ask you beforehand. In the app's 'Digital Wellbeing' feature, there is the option to disable the function of purchasing coins and sending gifts.

Users can also follow the account @tiktoktips. Tik Tok's official account fronted by established TikTok users which offers useful online safety tips for promoting safety on its platform, rather than hiding information in FAQs.
