Our Vision

At Upper Nidderdale Primary Federation, we will all approach everything we do in the **CHAMPS** way, helping every child flourish into a caring, confident and resilient young person who has a love of learning and:

- **C**hooses the right way and takes responsibility for their own actions
- Is **H**onest in everything they do and shows compassion for others
- **A**chieves the best they can with the talents they have and develops their wisdom
- Shows good **M**anners to everyone and treats everyone with respect
- **P**erseveres when situations are difficult and shows courage when they are challenged
- Knows how to keep **S**afe on and offline, ensuring that everyone is kept physically and emotionally safe.

This shows the special relationship we have with each other, where as a community, we look after each other, keeping each other safe – **Koinonia**.

Message from the Headteacher

We have had a great start to the new academic year! Busy as always. It was great to see so many of you at our Celebration Assemblies.

Our **CHAMPS** value of the half term is:

Choices

Our Growth Mindset character is:

Romeo Resilience

We will focus on these this half-term and rewards will be given out at our assemblies.

You will have now received class curriculum letters, homework information and all the calendar dates.

As you know, our newsletters always feature a Safeguarding section. As safeguarding children is such an important area with so many elements, you will also be receiving half termly safeguarding newsletters from our Safeguarding Team. This will highlight particular areas and signpost you to support and further information. I hope you find this useful.

Look forward to seeing you at Nidderdale Show on Sunday.

Miss Nicola Thornber and Team

This week at Glasshouses

Attendance:

If the winning class achieves over **98% attendance** they qualify for a dress down day on Monday

Jade Class: 100%

Amethyst Class: 98.31%

Obsidian Class: 100%

The winning classes this week are:

Jade & Obsidian

Article of the Week

Article 12 - Children have the right to voice their opinions and adults must listen to them

Jade Class

Well done Jade Class for a brilliant first two weeks! You have all settled so well back into school life and have come in (and gone home) smiling every day. Reception have been busy exploring their new classroom and learning their way around school. They have enjoyed their first phonics and maths lessons and have loved sharing their news about their summer holiday and telling us about their families.

Year 1 have been busy making predictions about our new book. They have enjoyed role-playing their ideas and learning new vocabulary to use within their writing. In Maths they have been focusing on mastering place value within 10.

Keep up the super work! 😊

Amethyst Class

We have been working hard as always! We have been partitioning numbers in Maths and have been working with 2, 3 and 4 digit numbers. In English we have been learning about nouns and adjectives and using adjectives in our writing to make it more exciting to read. From our English text, we built a tunnel in the hall to help us to think about descriptive words.

Obsidian Class

It has been a fantastic couple of weeks in Obsidian. Everyone has settled fantastically and are definitely showing what CHAMPS they are!

In English, we have been reading the Tunnel; making predictions about what could happen if we go into a tunnel. For maths, we have been studying place value, studying numbers up to 10 million.

*EXCITED, NERVOUS, ANXIOUS?
NOT SURE HOW THEY'RE FEELING?*

EMOTIONAL HEALTH CAN MAKE A BIG DIFFERENCE
TO CHILDREN'S PROSPECTS IN SCHOOL AND BEYOND

In North Yorkshire, we believe in supporting children's emotional health development, and that's why we've invested in online courses in understanding your child for parents.

By understanding how your child's brain develops and responds emotionally, you can better support their needs as they navigate the big milestones in school.

- Learn to better read and understand behaviour
- Help them to communicate how they feel
- Gain psychologist-informed ideas to support your child

PARENTS AND CARERS

- Talk regularly with your child about what they like to do online
- Find out what apps, games and sites they use or would like to use
- Use the social web framework to consider the benefits and dangers in each of the four areas
- Support your child to be safer on the apps, games or sites you decide are suitable for them to use
