## **Statement of intent**

The Upper Nidderdale Primary Federation, believes in creating opportunities for children to experience a variety of extra-curricular clubs.

We take our ethos from The Social Mobility Commission – ‘An Unequal Playing Field: Extra Curriculum Activities and Social Mobility Study.’

“The breadth of extra-curricular activities, spanning the musical, artistic, social and sporting domains; are widely considered valuable life experiences that should be open to all young people, regardless of background or where they happen to live. Activities such as being a member of a sports team, are thought to be enriching life experiences.

Apart from their inherent value, it is often claimed that young people can also develop positive tangible outcomes from these experiences of integrating and working with others through organised extra-curricular activities, which could benefit them later in life.”
