## **Statement of intent**

The Upper Nidderdale Primary Federation believes in creating a safe, welcoming and stimulating environment for all the children in its care. The federation believes that a safe, social atmosphere helps children of all ages to develop their social skills and confidence.

In order to help and support parents, the school aims to provide an affordable and convenient wraparound childcare service. Breakfast, and after-school are made available to children aged 4 to 11 (3 to 11 at St Cuthbert's as there is the nursery provision on site there), allowing parents more flexibility with their working hours.

We will ensure that there is a staff to child ratio of 1:15 at all times. 1:13 if nursery children in attendance.

Wraparound care is provided by school staff. Appropriate safeguarding procedures will be followed with regards to these.

## **1. Legal framework**

This policy has due regard to all relevant legislation and statutory guidance including, but not limited to, the following:

- Health and Safety at Work etc Act 1974
- Children Act 2004
- Equality Act 2010
- Children and Families Act 2014
- DfE (2022 'Health and safety: responsibilities and duties for schools')
- DfE (2025) 'Keeping children safe in education'
- DfE (2024) Wraparound Care: Guidance for Schools and Trusts in England

This policy operates in conjunction with the following school policies:

- First Aid Policy
- Food in Schools Policy
- Attendance and Absence Policy
- Data Protection Policy
- Child Protection and Safeguarding Policy
- Supporting Pupils with Medical Conditions Policy
- Administering Medication Policy
- Anti-bullying Policy
- Early Years Safeguarding Policy
- Complaints Procedures Policy
- Health and Safety Policy
- Behaviour Policy
- Fire Safety Policy

## **2. Ambition for Wraparound Childcare (DfE p4)**

There are many benefits to wraparound childcare for children, families and schools. This may include;

- Enabling parents to work or study
- Supporting vulnerable children
- Offering enriching activities that children enjoy
- Attracting parents to the school
- Supporting a soft start to the school day and attendance
- Investing fees into the school or community facilities

At both schools we have chosen to provide school run provision. We believe that the benefits of this model are:

- Maintaining high standards of control on every aspect of provision, including activities offered and process for places
- Continuing existing relationships between school staff and children
- Supporting vulnerable children with free or subsidised places

- Managing how wraparound compliments other out of school and extra-curricular activities.
- Ensure robust and effective safeguarding practices
- 

All clubs are available to a mix of age groups, ensuring that pupils are given the opportunity to interact with others who have similar interests, rather than always being with classmates or small groups.

In order to ensure that pupils' interests and needs are met, pupils are given the opportunity to contribute to the planning of extracurricular clubs and activities. The CHAMPS CAMP Breakfast and Afterschool provision will be structured with activities:

**Monday – Computer CHAMPS**

**Tuesday – Board Games**

**Wednesday – Arts and Crafts**

**Thursday – Lego**

**Friday – Movie Night**

At The Upper Nidderdale Primary Federation, we aim to promote and support government subsidies for children care. For wraparound care to be accessible to parents and to be sustainable, it must be affordable. We will aim to promote government subsidies such as Tax-Fre Childcare and Universal Credit Childcare to help parents and carers with the affordability of childcare, using established communication routes such as newsletter, Facebook and emails.

### **Booking Procedures**

All children booked in to the after-school provision will take part in the 'theme' for the day.

Breakfast and after School Clubs are organised, managed and conducted in accordance with the school's existing policies.

The staff to pupil ratio for extracurricular clubs and activities is 1:15. (1:13 if Nursery children attending)

Pupils at before or after school clubs are registered at the beginning and end of the session in order to ensure that nobody is missing.

Whilst the clubs are being conducted, the designated member of staff leading the club is responsible for the safety and welfare of all pupils. End of day collection routines are the same as for the normal school day.

Appropriately trained members of staff partake in clubs and activities where SEND provision is needed.

Breakfast and After School club 'CHAMPS CAMP' (wraparound care) is a separate provision to any of the Extra-curricular clubs. Each club has a separate register and children attending 'CHAMPS CAMP' cannot attend an extra-curricular club

instead of the CHAMPS CAMP, as separate consents are required from parents. Children attending any of the extra-curricular clubs can, however, join the CHAMPS CAMP when their club finishes, until such time as they are collected.

### **3. Food at Breakfast and After School Club**

Breakfast is an important meal that should provide 25% of a child’s energy requirement and contribute significantly to their vitamin and mineral requirements. The school operates a breakfast club that provides a nutritious meal for pupils before the school day. The breakfast menu includes cereal, toast and fruit.

School provides all children with a piece of toast every morning in the classroom. The government in January 2015 introduced school Food Standards - The current school food standards. This covers all food served in schools: breakfast, lunch and after-school meals; and tuck, mid-morning break and after-school clubs. Food prepared by the school catering team meets the Food Based Standards for School Lunches. We have worked closely with the Food for Health campaign.

At the UNPF, we follow the DfE guidance on nutrition when providing food for Breakfast Club and After School Club.

The staff to child ratio for our school's wraparound services is 1:15. (1:13 for nursery)

The following information can be found on the federation website:

- Charging and Remissions Policy
- Behaviour Policy

The standard daily fee for attending the breakfast club is £3.50, which includes a toast breakfast. The after-school care club is £5.00 from 3:30-4:30pm or £8.00 from 3:30-5:30pm at both Glasshouses and St Cuthbert's. The following conditions are also in place:

## **6. Arrivals and departures**

The school is fully committed to the safety and security of all the children in its wraparound clubs; therefore, several procedures are in place for when children arrive at a breakfast or after-school club:

### **Breakfast clubs**

- Parents drop their child off at the breakfast club.
- Attendance is recorded in the breakfast club's register on arrival; the parents of any pupil booked to attend, and is not present by 8:30am, will be contacted immediately.

- A member of the school staff will collect pupils from the breakfast club and escort them to their respective classes.
- The staff member collecting the pupils will be informed of any pupils that did not attend the breakfast club as expected; the school will follow its Attendance and Absence Policy if the whereabouts of those pupils remain unknown after registration is called.

### **After-school clubs**

- The collection point is the assembly hall. Teaching staff will ensure that pupils are taken to the afterschool club by an adult for handover. At no times will pupils be left unsupervised.
- If a pupil arrives at the collection point, but is not on the register, a staff member will check with the school office and the parent.

## **7. Involving parents**

The school aims to achieve effective communication with parents; therefore, it has the following protocols in place to ensure effective information sharing:

- Parents are invited to visit the facilities before their child attends.
- All members of staff take note of information from parents that could affect the happiness and wellbeing of their child.
- Parents are welcomed at the collection point to exchange information and provide updates on their child's wellbeing.
- An annual survey is conducted to collect feedback and improve services.

## **8. Uncollected children**

Staff members do their best to ensure effective communication between clubs and parents. If a parent is up to 15 minutes late, the following procedures are followed:

- The parent is reminded that they must notify a member of staff if they are running late.
- The parent is warned that repeated late arrival will result in penalty fees.

If the parent is over 15 minutes late, the following procedure is followed:

- A member of staff attempts to contact the parent using the details provided on the registration documents.
- If contact cannot be made, a message is left. The member of staff then attempts to reach the emergency contacts listed on the registration form.
- For the duration of the wait, the child is supervised by two members of staff.
- When the parent arrives, they are informed of the penalty notice of £10 per hour, that they were late collecting their child (per child).

If the parent is more than 30 minutes late, the following procedures are followed:

- If a member of staff has not reached the parent or an emergency contact, they contact the local social care team for advice.
- The child remains on the premises with a member of staff, or is placed with the local social care team.
- If the child has left the premises with the local social care team, a note is left on the door to the club informing the parent of the child's location. A contact number and address are displayed.

## **9. Health and safety**

All members of staff at the school are aware of their responsibilities and duties in regards to the Health and Safety Policy. All members of staff are responsible for:

- Recording incidents, accidents and near misses.
- Maintaining a safe environment for children and adults.
- Taking part in any relevant health and safety training.

## **10. Safeguarding**

All members of staff and volunteers are suitable to be working with children in wraparound care – anyone without the appropriate checks will be supervised by a member of staff who is permitted to undertake regulated activity with children.

Child protection and safeguarding policies and procedures extend to all wraparound care provision and the school expects all staff and volunteers involved in the provision of wraparound care to read and adhere to the Child Protection and Safeguarding Policy.

The Child Protection and Safeguarding Policy is provided to all staff and volunteers involved in wraparound care upon induction.

Any safeguarding matters are raised with the DSL or deputy DSL as soon as possible. In the event that the DSL or a deputy are not available before or after school hours, safeguarding issues are raised with a named nominated person, e.g. the headteacher, who then informs the DSL as soon as possible.

## **11. Illness and injury**

In the event of illness or injury, the school will act in accordance with the Health and Safety Policy and the First Aid Policy.

All members of staff running the breakfast and after school clubs are trained in first aid and are aware of their duties if a child is injured or becomes ill. In cases of minor illness or injury, the following procedures will be adhered to:

- If a child becomes ill, the parents are contacted and asked to collect their child.
- If a child is complaining of illness, but the member of staff does not believe it is serious, they monitor the child until the end of the session.

- If a child suffers a minor injury, first aid is administered and the child is closely monitored for the rest of the session.

If a child suffers a major injury or becomes seriously ill, the following procedures are implemented:

- If a child needs to go to the hospital, an ambulance is called and a member of staff accompanies them.
- The parents of the child are notified immediately.
- Following the incident, members of staff conduct a review of the incident in order to prevent any such incident from occurring in the future.

## **12. Medication**

Members of staff always act in accordance with the school's Supporting Pupils with Medical Conditions Policy and Managing Medicines Policy.

Members of staff are aware of the importance of administering prescribed medication to children. The school and its clubs understand that parental consent is crucial and has the following rules in place for administering medication to pupils:

- Before any medication is given, the child's medical forms are checked to see if the medication has been approved by the parent.
- When a member of staff administers medication, another member of staff witnesses the process.
- Details of the process are recorded on the child's medication form.
- If a child refuses to take the medication, the member of staff does not administer it. The parent is notified immediately.
- If a certain medication requires training to administer medication, only members of staff with the relevant training will administer it.
- If there are changes to the dosage or frequency of the medication, the changes are recorded on the medical forms. Parents are required to sign the forms again before any change in procedure.

## **13. Behaviour**

The school's wraparound childcare services are subject to the existing Behaviour Policy. Our CHAMPS Values run through all clubs.

Repeated breaches of the Behaviour Policy may result in the child being barred from attending the clubs.

Any up-front fees paid by the parent are returned if a child is barred from attending the clubs.

## **14. Anti-bullying Policy**

The school has a strict Anti-bullying Policy which is to be implemented at all times and a zero tolerance to bullying.

Any child who is the victim of bullying is supported in a sympathetic and friendly manner.

If bullying is reported, it is noted and investigated by a member of staff and the parents of both children are informed.

The school defines bullying as repeated harassment of others, including psychological, physical, verbal or emotional abuse.

If it is discovered that bullying has taken place, the following procedures are adhered to:

- Incidents are dealt with in a sensitive and thorough way
- Victims have the chance to discuss what happened with a member of staff
- Victims of bullying are reassured that the case will be taken seriously
- Victims of bullying are monitored to ensure further incidents do not occur
- If another pupil reported the incident, they are reassured that they did the right thing
- The child who is accused of bullying is made to understand why their behaviour was wrong
- If the bullying persists, more serious action, such as exclusion, is considered
- All incidents are reported to the Headteacher, and incidents are recorded and investigated.

Bullying of a sexual nature will **never** be tolerated and will be addressed according to the procedures outlined in the school's Child Protection and Safeguarding Policy. Where crimes, such as rape, assault by penetration, sexual assault and up-skirting, are included in a report of bullying, the police will be notified.

## **15. Emergency evacuation/closure**

In exceptional circumstances, such as adverse weather conditions, heating failure or serious illnesses, the clubs are closed.

In the case of an emergency, the following procedures are followed:

- Emergency services are contacted.
- All children are evacuated from the building and taken to the designated emergency assembly point.
- A member of staff collects the register and checks that all the children are at the emergency assembly point.
- If a child is missing from the emergency assembly point, the emergency services are immediately informed.
- Parents are contacted to collect their children.
- All children remain at the emergency assembly point until they are collected by their parent.

If a child has not been collected after undergoing the emergency procedure, members of staff follow the uncollected child procedure.

## **16. Monitoring and review**

This policy is reviewed annually by the Headteacher and the DSL.

The scheduled review date for this policy is July 2026
