Our Vision

At Upper Nidderdale Primary Federation, we will all approach everything we do in the **CHAMPS** way, helping every child flourish into a caring, confident and resilient young person who has a love of learning and:

- **C**hooses the right way and takes responsibility for their own actions
- **I**s **H**onest in everything they do and shows compassion for others
- **A**chieves the best they can with the talents they have and develops their wisdom
- Shows good **M**anners to everyone and treats everyone with respect
- **P**erseveres when situations are difficult and shows courage when they are challenged
- Knows how to keep **S**afe on and offline, ensuring that everyone is kept physically and emotionally safe.

This shows the special relationship we have with each other, where as a community, we look after each other, keeping each other safe – **Koinonia**.

Message from the Headteacher

Dear Parents, Carers ...

Welcome back to our last half term of the school year! I hope that you were all able to enjoy the sunshine during the half term holidays 😊

What a wonderful way to start our half term with Sports Day. I have received positive feedback about the staff and organisation of this by Kanga Sport - I have passed this onto them - thank you. This half term we will be visiting our Safety value in our Collective Worship sessions and in PSHE. The children will be learning about keeping themselves and others safe on and offline, learning about water safety, safety when out in the community or at the park. As part of this we have arranged a number of visitors to school such as our community police officer. The dates will be on the school calendar.

Please keep a look out for events and dates - this half term is always busy one! Mrs Gillies will be keeping you up to date and informed through letters, emails and texts.

Have a great weekend when it arrives.

Miss Thornber and Team

Class 1

What a busy start we have had to this half-term!

In Reception we have been exploring all things Pirates! We have used the book 'Pirates Love Underpants!' to create clues for a treasure hunt in our classroom.

Year One have put their story writing skills to work, rewriting a science fiction story. We also thoroughly enjoyed our sunny Sport's Day!

Class 2

Class 2 have continued to show their love for reading by using our reading area with kindles. In Maths we have finished our unit about problem solving where we have used our understanding of the 4 operations in order to solve problems. In English we have begun planning our own adventure story and are looking forward to sharing our finished stories with you.

Class 3

Class 3 have been very busy since returning from half term. In English, we are coming towards the end of our film review (which are amazing by the way) and working hard on our reading skills. In Maths, we have worked hard on our decimals - adding, subtracting and these in different forms (money and measures) and year 4's have worked hard on their timestables in preparation for the year 4 multiplication test.

Finally to finish on a sporting theme, I'm sure that many of you will agree, we have had a fantastic sports day last week and year 5 and 6 had a fabulous trips to Headingley Cricket Ground to take part in a variety of activities and play some cricket.

Cover up – long-sleeved shirts and long pants or skirts provide protection; a hat can shade the face, scalp, ears and neck; sunglasses can protect eyes – check they block as close to 100% UVA and UVB rays as possible.

Spend time in the shade, particularly from 11am to 3pm

Use at least SPF30 sunscreen with high UVA and UVB protection

Apply sunscreen generously (30 minutes before children go out) to areas not protected by clothing, such as the face, lips, ears, feet and backs of hands

Keep sun protection handy—in your car, bag, or child's backpack and reapply during the day – every two hours and after swimming, exercising, or towelling off – even if the product is waterproof or water-resistant.

House Captains' News

The house captains in school decided that our class names needed to be a bit more exciting. Together they came up with a few options to present to the rest of the school in an assembly. Class 1-Diamond

Class 2 - Ruby

Class 3 - Emerald

Reading Ambassadors

Our St Cuthbert's Reading Ambassadors, Eleanor and Ben.

Our new authors for the half-term are:
