## Parent Information Session

### NYSCP online safety awareness

Primary Wed 20<sup>th</sup> Oct 6:30pm

Secondary Thurs 21<sup>st</sup> Oct 6:30pm

## PSHE

This half term we will be looking at 'Being Me' and how we can keep ourselves safe mentally by increasing our wellbeing.

Being a parent or carer is one of the most important and rewarding jobs there is but is also one of the hardest. It's important to get the right help, by the right person, at the right time.

**Early Help** is the term used by all agencies to describe North Yorkshire's approach to providing early support to families at any stage of a child's life when a problem or difficulty first arises. It supports children, young people and their families to be happy, healthy and safe, as well as helping them to achieve their potential and increasing their ability to manage life's challenges.

## Federation Parent Information Session

### Choking – what is it and what to do!

Parents from all schools welcome!

Drinks 9am Session starts 9:15am

Tuesday 24<sup>th</sup> October

At St Cuthbert's School

Safeguarding is a priority here!

Article 1: All children under 18 have rights  
Article 19: I have a right to be protected from being hurt or badly treated  
Article 24: I have a right to ... a safe environment...  
(UN Convention on the Rights of a Child)

- Around 5,000 children under the age of 16 die or are seriously injured on Britain's roads each year
- Nearly two in three road accidents happen when children are walking or playing
- Almost two-thirds of child accident victims are boys
- As a child gets older the risk of a road accident increases

## Road Safety

Particularly as the days are getting shorter, we are focussing on keeping our children safe on the roads.

### How you can Help?

- **Reduce your speed** as you drive past school – 20 is plenty!
- **Park safely.** Think about where you park to drop off. Could you park further away from school and walk so our entrances stay clear? We have many children who walk independently to school. They need a clear view to cross the road safely.
- **Be a responsible driver.** Don't perform manoeuvres outside school or park on yellow lines.
- **Talk to your child** about road safety and the Green Cross Code.
- **Ensure your child can be seen.** Think about using reflective bands on dark coats.

# The Green Cross Code

- 1) Find a safe place to cross
  - Use a pedestrian crossing if there is one
  - Choose a place where you can see clearly in all directions
  - If an obstacle is blocking your view of the road, choose a better place to cross!
- 2) Stop just before you get to the kerb
  - Do not stand on the kerb
  - If there is no pavement, stand at the edge of the road.
- 3) Look all around for traffic and listen
  - Traffic can come from any direction
  - Sometimes you can hear traffic before you see it
  - If you see or hear an emergency vehicle in the distance, let it pass.
- 4) If traffic is coming, let it pass
  - Never run across the road when traffic is coming, even if you think there is time. It can be difficult to judge the speed of traffic
  - Be aware that traffic may speed up.
- 5) When it is safe, go straight across the road- do not run
  - Continue to look and listen as you cross
  - Look out for cyclists and quieter vehicles, you may not hear them approaching
  - Walk straight across the road.

Safeguarding is a priority here!
